Packaged or boxed weight: 32kg / 70.5lbs

Details

Assembly required: No

Care instructions: Treat any stains and spills immediately with a dry towel. Avoid wet or damp spot cleaning your mattress as this risks diluting or even removing the fire retardant qualities of the fabric. Use a mattress protector to help reduce the risk of staining. Regular stripping down or turning down the bed each morning allows your mattress to air and breathe. Rotate and turn the mattress every three months with the seasons by following the instructions on the label.

Composition: Cotton, Viscose, Wool, Polyester, Pocket Spring Core, Recycled Mixed Fibres.

Material: • Natural M-Pure FR treatment meets BS7177 Medium Hazard (Crib 5) fire safety standard
